COMMANDER'S CORNER

Murder in Nashville during 2013 dropped to the lowest level in the 50 year history of the Metropolitan Government. That is HUGE!

Mayor Dean and Chief Anderson made a commitment of partnership between our Police Department and our Citizens. The goal of this partnership has been a safer community. Since the inception of the Metropolitan Government of Nashville and the Metropolitan Nashville Police Department our homicide rate is the lowest it's ever been. I'd say the partnership is working!

As Neighborhood Watch Members, YOU are an important part of this success.

We have come together as a community, and together we are shaping a better Nashville. I think about the neighbors calling in suspicious activity that resulted in major crimes not being committed. I think about the Nashville Fire Department and all work that they do to stabilize the injured while quickly getting them to the closest Emergency Room. I think about the citizens who kept their situational awareness, and let the ambulances through. I think about the hospital staff who worked tirelessly to save the injured. I think about the District Attorney's Office who prosecuted the cases so that the Defendant would not get the opportunity to harm someone else. I think about the citizens who stepped up to testify. I think about the citizens who took time out of their lives to serve as Jurors on these cases. This is a community wide achievement, and something that should make all of us proud.

MNPD's New DNA Lab

On December 16th Mayor Karl Dean today got a preview tour of the police department's first ever full-service DNA crime laboratory which is scheduled to officially open in January at 400 Myatt Drive in Madison. The 82,500 square foot building will also be the new home for the Madison Precinct.

"Having our own crime lab is a game changer for public safety in our city," Mayor Dean said. "This state-of-the-art facility will greatly enhance our investigative capabilities. We'll be able to test DNA for not only violent crimes, which we do through the state now, but also property crimes. We'll also be able to process DNA quicker, which means getting serial offenders off the street before they have a chance to commit more crimes. Our police force has worked hard to bring crime rates down, and, now, with the crime lab soon to open; Nashville will become an even safer city."

Leading the tour were Chief Steve Anderson, Madison Precinct Commander Sebastian Gourdin and Laboratory Quality Assurance Manager Ann Talbot.

"There is no doubt that this facility and the talented scientists who we have hired will significantly enhance Nashville's public safety for decades to come," Chief Anderson said. "Additionally, I know that the men and women of the Madison Precinct are extremely excited about their new work place, as are the citizens of Madison who will be able to use the new and very impressive precinct community room for neighborhood meetings."

The total cost of the lab and precinct project, including design, construction, furniture and equipment, is \$40 million.

Mayor Karl Dean and Chief Steve Anderson are accompanied on the laboratory tour by Identification Division Captain Karl Roller and Lab Quality Assurance Manager Ann Talbot.

BORDEAUX (THE CUMBERLAND RIVER NORTH TO BRILEY PKWY, BRILEY PKWY EAST TO WHITES CREEK PK)

Mr. Collins, Mr. Lymon, and a 3rd man took a fourth friend (the victim) to an apartment on Buena Vista Pk to buy Marijuana. Once there they robbed him instead. Each of them have been charged with Aggravated Robbery.

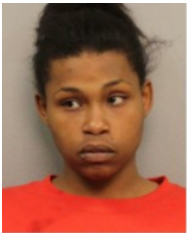

Channing Collins

Brandon Lymon

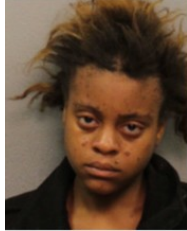

Ms. Dansby was arrested for Accessory After the Fact to Vehicle Theft after she hid two defendants from Police. And she lied about where the suspects were when Officers served the warrant. Basically, she did her best to keep them from being held accountable for their choices. With those efforts she became a part of the crime that they committed.

Quashadaly Dansby

Ms. Booker became angry at her ex-boyfriend when she felt he had not eaten enough. When he tried to leave rather than argue or fight with her, she hit him with a glass bowl and cut open his head. He was

transported to the hospital and she was charged with Aggravated Assault.

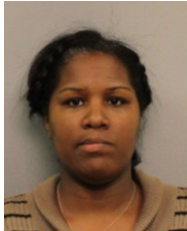

Shamonta Booker

Mr. Johnson strangled his girlfriend during an argument and was arrested for Aggravated Assault.

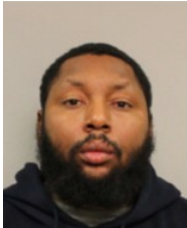

Antonio Johnson

Ms. Allen was arrested for beating her Brother-In-Law with a steal pipe and charged with Aggravated Assault.

Stephanie Allen

Mr. Davis woke his girlfriend with an accusation of infidelity and strangled her. He was charged with Aggravated Assault.

Marquise Davis

Mr. Williams and the victim were strangers. She drove into the gas station at Clarks-ville Pk and W. Hamilton. As she walked inside to pay, Mr. Williams told her to buy him some beer and cigars. The Victim replied, "No."

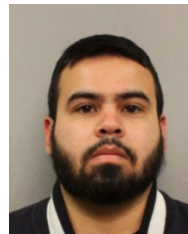

In response, Mr. Williams retrieved a pistol from his trunk and threatened to shoot her.

He was caught fleeing the scene and charged with Aggravated Assault.

Roderius Williams

Mr. Carapia intentionally swerved at another vehicle in traffic with the intent of forcing them off the road and threatened to kill the occupants with a pistol. Officers caught Mr. Carapia and he admitted that the weapon he threatened the victims with was actually a BB gun. Mr. Carapia was charged with three counts of Aggravated Assault.

Vigilante Arrested

Joshua Brown

Mr. Brown received information that the burglary of his home was committed by two teenagers, aged 17 and 18. He did not report this theft to the Police. He has declined to share when it happened, how it happened, or what was taken. Instead Mr. Brown chose to enter a home through an unsecured door, and threaten the woman inside with a knife. The woman he threatened is someone he believed to be the mother of one of the teenagers who stole from him. He was charged with Aggravated Burglary and Aggravated Assault.

Let's take a moment to talk about some of the many reasons Mr. Brown's decisions were bad.

- 1) The woman he attacked was not related to either of teenagers he believes stole from him.
- 2) By failing to tell the Police about this crime, he enabled the

(BEAR HOLLOW RD NORTH TO THE CHEATHAM & ROBERTSON COUNTY LINES, LITTLE MARROWBONE/EATONS CREEK EAST TO I-24)

Mr. Rediker was stopped for a traffic infraction and arrested for an outstanding Aggravated Assault warrant. Mr. Rediker was accused of breaking the face of another man after seeing that his girlfriend was dancing with the man.

Richard Rediker

We are seeing an increase in thefts near the Cheatham County Line. Please watch out for each other and watch for suspicious activity. If you see someone you don't know around your

neighbor's property, take a moment to say "Hello" and maybe ask about their day. If they still seem "Off" or you feel some investigation is needed, please call us: 862-8600.

Most of the time, you will be exchanging "Hello's" with a new neighbor or friend/relative of your neighbor. But in every case that friendly hospitality lets people know that Joelton is a community where people care about one another and criminals will get caught.

criminals to continue and victimize his neighbors.

- 3) By choosing not to report the crime to the Police, he assisted the people who victimized him in evading the consequences of their decision to steal. This effectively teaches them that the behavior is acceptable.
- 4) His vigilantism may make his neighbors feel less safe.
- 5) He spread the victimization to another family by threatening someone uninvolved in this conflict. This poor woman had the misfortune of living near his intended target, and was in a position to be victimized the same way he was.
- 6) His actions have caused at least one family in North Nashville to feel less safe.
- 7) He destroyed his credibility as a witness against the people who stole from him, increasing the likelihood that another friend or neighbor will be victimized before we are able to catch them.

The Police Department is not the right tool for every job, but we are the right tool for **THIS** job. If you are the victim of a crime REPORT IT. Together we

Mr. Chandler was arrested for failing to comply with the Sex Offender Registry.

John Chandler

Officers stopped a vehicle at 11th Av N and Meharry Blvd for a traffic infraction. The occupants fled on foot. The vehicle and the occupants matched the suspect description from an earlier robbery, that they ran rather than be warned to change their driving behavior increased the suspicion that these individuals might be the robbers. After a foot pursuit the individuals were detained and identified. Mr. Newsom, Mr. Russell, and a 14 year old Co-Defendant were identified as part of the team that shot at a man in Madison as part of their failed attempted to rob him. Mr. Newsome has prior convictions for Selling Cocaine, Smuggling Contraband into a Penal Institution, and Aggravated Assault.

Darrell Russel

This 14 year old was caught in North Nashville with a stolen pistol as he and his Co-Defendants fled from Police. They were wanted for a robbery that had just committed in Madison.

can make North Nashville a safer place to live, work and play; but it's a mission that neither the Police nor Residents can successfully complete without the help of the other.

Our partnership has consistently shown positive results and brought North Nashville crime to a low our doubters said could not be achieved. With all that we have accomplished together, spread the word to

- 1) Watch out for each other.
- 2) If you see something that makes you believe someone is trying to victimize your neighbor, call the police.
- 3) If you are the victim of a crime, file a report with the police.
- 4) If you have information about a crime, please call out Anonymous Tip Line 862-7873.

Together we ARE making North Nashville a safer community.

SCOTSBORO (CHEATHAM COUNTY LINE EAST TO BRILEY PKWY, LITTLE MARROWBONE/EATONS CREEK SOUTH TO THE CUMBERLAND RIVER)

There weren't any significant arrests in Scottsboro during December. It remains a relatively quiet spot in our crime mapping.

There has been an early January burglary in Scottsboro. Someone used a black van, and possibly a

key, to take items from a home on Old Hickory Blvd.

The use of the key and the Suspect's knowledge of the location where the victim's valuables were hidden suggest that this was NOT someone from outside the community

and may be someone that the victim trusted.

If you know anything about this crime, please call our Anonymous Tip Line: **862-7873**.

While Mr. Johnson has years of arrest history, this was his first felony.

Terrance Johnson

Mr. Thaxton was found passed out in his vehicle, which was parked sideways on the sidewalk

wouldn't have to tow it. This is something that the Officers on the street appreciate; we don't like to tow cars. The Officers ran his TNDL to confirm it was valid, and the computer showed that Mr. Batey was wanted for Felony Theft. According to that Incident Report, Mr. Batey confessed to assisting a Co-Defendant in stealing from his employer.

Jishon Batey

Mr. McGinnis was arrested after he stole the victim's car and sold it for scrap.

Andre McGinnis

Mr. Gold was arrested at a Brick Church Pk motel for Promoting Prostitution.

Anonymous Drug Complaints

Based on YOUR anonymous Drug Complaints made to 244-DOPE (244-3673), the North Precinct Crime Suppression Unit conducted investigations in December that led to 39 persons being arrested, 50gm of Marijuana, and 4 firearms being seized.

We can't talk about ongoing investigations and sometimes it seems like you call and see MORE thug looking characters around the drug house. But that increase in "Thugs" you saw were undercover officers working your anonymous tip. So please don't get discouraged; you keep calling in the drug tips and we'll keep arresting the people who create the crime and disorder into your neighborhood.

WHITES CREEK (BRILEY PKWY NORTH TO BEAR HOLLOW RD, EATONS CREEK EAST TO BRICK CHURCH PK)

An intoxicated Mr. Wasill threatened to kill his girlfriend for not giving him enough money to flee the country. His motivation for fleeing is unknown.

Michael Wasill

Whites Creek remains one of Davidson County's safest communities. I believe that a large part of that success can be attributed to the people who live

there. The friendly reputation that this community has earned by welcoming new people with a wave and a friendly 'Hello' puts people on notice that this is a community where people care about one another. It helps build strong relationships between neighbors.

But to anyone considering committing a crime in Whites Creek, it lets them know that the residents are watching. And should they choose to commit a crime, those residents are likely to see them do it.

Please secure your valuables.
Please lock your buildings and

your vehicles. And please keep up the friendly atmosphere that made Whites Creek the area you chose for your home.

Warrants Division

The Nashville Police Department's Warrants Division has created an online tool to assist citizens in reporting persons wanted on outstanding criminal charges.

Citizens who have knowledge of a wanted person's whereabouts are urged to visit <http://www.police.nashville.org/bureaus/investigative/warrants.asp> and click on the **Report Wanted Criminals Online** link.

Citizens can access this information from computers or smart phones. Persons can also contact the Criminal Warrants Division at 862-7683.

"Information provided by citizens plays an important role in removing wanted criminals from our neighborhoods," Chief Steve Anderson said. "This new online tool is part of the police department's continuing efforts to work closely with the community to enhance safety."

Citizens who contact the Warrants Division can remain anonymous. This new tool is in addition to Crime Stoppers. Citizens who contact Crime Stoppers by phone, text or Internet can remain anonymous and qualify for a cash reward.
